

Corps of Engineers — Status of Reservoirs

Michael A (Tony) Young, P.E.
Water Management Chief

NC DMAC Annual Meeting
Raleigh, NC

04 April 2019

US Army Corps of Engineers
BUILDING STRONG[®]

Wilmington District

Corps Reservoir Levels Since 1-Apr-2018 (Feet Above or Below Guide Curve)

USACE -- Main Talking Points

- At or near record monthly inflows at projects from Sep thru Feb
- Nearly continuous flood operations since Hurricane Florence
- No significant anticipated drought concerns for next few months based on antecedent conditions and precip outlooks
